

My Market News Tutorial: Setting up and E-Auth Account and getting and API key.

Go to My Market News: <https://mymarketnews.ams.usda.gov/>

On that page click on the login button as shown below.

This will take you to our E-Auth page to set up an account.

Once on that page you can click create account as shown below.

Then choose the customer selection and click continue as shown below.

An official website of the United States government [Here's how you know](#)

Once you have your User ID and password you can go back to <https://mymarketnews.ams.usda.gov/>

This account set up will only need to be done once but please keep your username and password in case you want to log into the system again in the future.

Then click Login button again.

The screenshot shows the USDA Market News homepage. At the top, there is a navigation bar with links for Home, Commodities, Help, Return To AMS, and Login. The 'Login' button is highlighted with a red box. Below the navigation bar, there is a section titled 'About Market News' which contains a brief description of the service and a photo of two cows.

This will take you back to the E-Auth screen and you can put in your username and password in the spaces highlighted below.

The screenshot shows the USDA eAuthentication login page. It features two main login options: 'Log In with PIV/CAC' on the left and 'Log In with Password' on the right. Both options are enclosed in a large red box. The 'Log In with Password' section includes fields for 'User ID' and 'Password', along with 'Forgot User ID' and 'Forgot Password' links, and a 'Show Password' checkbox. Below the login sections are buttons for 'Create Account', 'Update Account', and 'Find Help'.

This will let you log in and then you can hover over your name and click My Profile as shown below.

The screenshot shows a web browser window for mymarketnews.ams.usda.gov. The top navigation bar includes links for various USDA programs like AMS, MARS, MMN, AGNIS, Employee Login, Report Index, USDA Cloud Vault, New AMS Site, IT Help Desks, and Contact Us. Below this is a secondary navigation bar with links for Structure, Appearance, Extend, Configuration, People, Reports, and Help. The main content area features the USDA logo and the text "United States Department of Agriculture Agricultural Marketing Service". A green sidebar on the left contains the title "About Market News" and a paragraph describing the service's mission. On the right, there is a photograph of several black cattle in a field. At the top right, a user profile is displayed with the text "Welcome Karwal, Jason" and a small profile picture. A red box highlights a dropdown menu that appears when hovering over the user name, containing options for "My Profile" and "Log out".

You will see a button on the left side of the screen that says Show API Key and looks like the picture below. Clicking on this button will display your API key.

API KEY:
